

Historic Uptown Hamel Library

The Uptown Hamel Library/Museum is open every Friday from 3-5:30 p.m. during the summer months. The Library is staffed by volunteers from area businesses and organizations.

Historic Hamel Library, formally the library that sat next to the one room school. A bookmobile from Hennepin County would service the library. The Librarian was Mrs. Mable Roy. Before it was converted to a library, Mable Roy used it as a small summer kitchen. The library was donated to Uptown Hamel and it was moved from 215 Hamel Road to this location to make it more visible.

The Uptown Hamel Business group maintains the building. They are always looking for pictures and memorabilia of the Hamel area.
